

Teplica river in Senica

Created for TU Delft course ARFW0501,
2024/25 Q4
Map by: Viola Ebermannová

Data sources (OSM, 2025)

Local reachability of Teplica

Space Syntax Analysis

Attraction reach, buildings to Teplica, r=500m

Low attraction reach

High attraction reach

Background

Teplica river

Waterways

Street network

Analysis area

Created for TU Delft course ARFW0501, 2024/25 Q4
Map by: Viola Ebermannová

Data sources (OSM, 2025)

Local reachability of Teplica (zoom)

Space Syntax Analysis

Attraction reach, buildings to Teplica, r=500m

- Low attraction reach
- High attraction reach

Background

- Teplica river
- Waterways
- Street network
- Analysis area
